We believe in delivering the best toys to the children all over the world basing on three key principles: **safety, quality and great play value.** These three keys principles are what governs our business. We have 20 years' experience in making wooden toys and are proud to say our toys has always been in line with the international standard. And, classic is extending critical partnerships to different countries all over the world.

These trusting relationships give us the confidence to grow steadily with the vision of making better toys. We will continue to provide quality wooden toys and seek for new partnerships to build a better, brighter future.

We want to provide children with toys that can connect their nature growth and developmental needs. So we devote our toy design in each stage of child development.

All our products are developed according to this goal. Our design team is made of designers, teachers, early childhood developmental counselors and others who deeply understand a child's needs.

Classic brand aims to be a guide to support parent to make the most suitable choice of toy for their child.

Quality & Safety

We are a wooden company. We use mainly a sustainable material that is coming from nature. We practice to make environmentally safe production process to provide a safe and clean world for our children to grow up in.

At Classic International, we set the bar high for quality. We know that your children deserve only the best toys. We ensure this with our rigorous quality check process.

We strictly follows the international standard include ISO 9001: 2000 Quality Management System, EN and ASTM standards for toys. In addition, we have been certified by ICTI.

Till now, our products have been supplied to children all over the world. We have been trusted by companies such as Aeon, Barn kids, Lakeshore Hamleys and so many other independent stores all over the World. With our toys you can be sure of quality for years to come.

During manufacturing we put each of our toys through demanding testing so that our customers, parents, and children can have toys that are high quality, safe, and most importantly fun!
