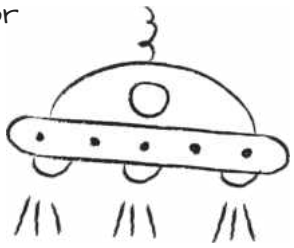
Always brings joy

About us

We are a team of people;
whose work is their passion.
The happiness and excitement in the eyes of a child
are the greatest reward that we can possibly ask for
creating toys that entertain and teach.



For almost 10 years already
we have been thoroughly selecting
and developing materials
valuable both in terms of content and artistic qualities.
We create innovations that inspire kids to engage into colouring.

Our products are also inviting others to take part. Family colouring?
A jointly created work of art for decorating a wall in the child's room?
We have you covered!

So here it comes:

COLOUR WITH ME, MOMMY!
COLOUR WITH ME, DADDY!

Have a great fun, then!
