## Play for the Planet!

Play is a key part of a child's growth, and with Green Toys, it's both fun and eco-friendly. Made from recycled materials, these toys encourage creativity and problem-solving while teaching kids about sustainability. Green Toys offer endless opportunities for imaginative play that's gentle on the planet.

## Safe, Recycled Materials

Green Toys creates eco-friendly toys from recycled plastic, reducing waste, and conserving resources. Each toy is crafted from thoroughly cleaned and processed recycled materials, free from BPA, phthalates, and PVC, ensuring safety for children and the planet. Through sustainable production, Green Toys shows that recycled materials can make fun, high-quality toys that inspire environmental responsibility.

## Child Development

Green Toys support child development by combining eco-friendly materials with designs that foster skills like creativity, problem-solving, and motor coordination. These toys also promote social skills through collaborative play, encouraging children to share and cooperate. Green Toys are a valuable choice for nurturing physical, cognitive, and social growth.

## Play Green, Play Clean - Dough Safe for Kids, Kind to the Earth!

Green Toys™ Dough provides a secure and enjoyable way for young children, specifically those aged 2 and older, to engage in the fun and educational activity of dough play. This product is carefully crafted from premium, non-toxic ingredients, ensuring it meets high safety standards. Parents can feel confident knowing that their children are using a product free from harmful substances, making playtime both worry-free and enriching. Beyond safety, the dough's quality ingredients contribute to a soft, pliable texture that encourages creativity, fine motor skill development, and imaginative play in a safe environment.

Pliable texture • Fine motor skill development • Imaginative play
