CATALOGUE 2020

25 years **brainstorm**®

25 years of explore discover learn enjoy

Welcome to Brainstorm, where we are celebrating 25 years of sharing our passion for the natural world through our range of fun and engaging toys.

Brainstorm is owned by three directors who work full time for the company. With our excellent UK-based sales and logistics team, we distribute our items all over the world, either from our UK warehouse or direct from the Far East.

This trade catalogue is packed with fascinating products, so make sure you look out for the  symbol that highlights our **new items**. This year we have added to our established and successful brands Brainstorm Toys and The Original Glowstars Company. Our TV advertised lines are highlighted by this  symbol.

Please visit our website www.brainstormltd.co.uk for news, extended product content, additional images and information on where to find us at trade events. **You can also order online.**

explore discover learn enjoy

Have you ever wondered how a shark sees the world?

SEE THE WORLD THROUGH OTHERS' EYES

Learn about the science of sight with this funky optical kit. What does the world look like if you are a baby? Or a T rex? How does a cuttlefish see it's underwater world? Just pop on these cool glasses and you will see the world through others' eyes!

22 interchangeable lenses allow you to see in more than 17 different ways – or create your own!

Informative leaflet has fascinating information about seeing like a rat, eagle, bee and more.

BARCODE: 5060122733847

Do you want to see like an astronaut?

2 IN 1 GLOBE EARTH & CONSTELLATIONS

Earth by day – space by night – 2 globes in 1! The ideal gift for would-be astronomers and budding geographers.

The 22.8cm daylight earth globe clearly shows political boundaries, natural features such as lakes and rivers, capitals and major cities. Scale 1:55,900,000.

The illuminated night globe shows key stars and constellations with their Latin and common names. An advanced light sensor automatically turns on the LED illumination whenever the room darkens, magically transforming the earth globe into a fascinating map of the stars.

NEW Includes socket for optional USB cable.

E2001 8+ 4C

BARCODE: 5060122731072

INFLATABLE GLOBE

30cm diameter inflatable political globe with original and colourful design. Includes fun game ideas.

B1700 4+ BARCODE: 5060122730150

MEGA GLOBE

A mega-sized 50cm diameter inflatable political globe. Includes fun game ideas.

B1704 4+ BARCODE: 5060122730617

14CM WORLD GLOBE

Explore your world with this compact and detailed globe showing political boundaries, natural features such as lakes, rivers and deserts, capitals and major cities. Scale 1:90,000,000.

E2045 6+ BARCODE: 5060122732888

MY VERY OWN MOON

Bring the moon into your own room. The authentic moonscape shines moonlight just like the real moon and makes a stunning room accessory or reassuring night light.

This enchanting remote controlled moon automatically scrolls through twelve illuminated lunar phases. Manual function allows you to set your own moon to look just like the moon outside.

Easy to hang on your wall - just like a picture. Auto shut-off saves battery life.

Secret code unlocks multilingual online information.

E2003 6+  4AA/2AAA

BARCODE: 5060122731096

Your own moon looks just like the moon outside

MY VERY OWN RAINBOW

Bring nature's most beautiful light show into your bedroom and fill your room with rainbows. Perfect for parties and sleepovers and a charming night light to inspire sweet dreams.

Enchanting light projector uses multi-coloured LEDs to display rainbow colours on walls and ceilings in a darkened room. Auto shut off saves battery life.

Includes a sunlight rainbow crystal. Position in a sunny window and watch rainbows dance around your room. Secret code unlocks multilingual online facts and activities.

E2004 3+  4AAA

BARCODE: 5060122731102

MY VERY OWN SOLAR SYSTEM

Children can experience the wonder of the solar system and learn about the planets with this fascinating and educational toy. An impressive accessory for any room!

The 85cm diameter motorised solar system model has eight colour planets that rotate on three independent orbits.

The illuminated sun makes an attractive night light.

Mounts to ceiling with enclosed fixings. Battery operated and remote-controlled. Secret code unlocks multilingual online information.

E2002 6+ 3AA /2AAA

BARCODE: 5060122731089

Learn about the solar system

MY DESKTOP SOLAR SYSTEM

Bring the wonder of the Solar System into your own room. Easy to assemble rotating planetarium is perfect for your desk or bedside. Total span 34cm. Secret code unlocks multilingual online information.
