Welcome to Brainstorm, where we share our passion for the natural world through our range of fun and engaging toys.

Brainstorm has been in business for 26 years and is owned by three directors who work full time for the company. With our excellent UK-based sales and logistics team, we distribute our items all over the world, either from our UK warehouse or direct from the Far East.

This trade catalogue is packed with fascinating products, so make sure you look out for the  symbol that highlights our new items. This year we have added to our established and successful brands Brainstorm Toys and The Original Glowstars Company plus we are pleased to expand our Eugy range of eco-friendly, super-cute collectables. StikBot continues to encourage creativity whilst there are additions to the KLIKBOT range. Our TV advertised lines are highlighted by this  symbol.

Please visit our website www.brainstormltd.co.uk for news, extended product content, additional images and information on where to find us at trade events. **You can also order online.**
